About

Stop Giving One Way Presentations and Win the Deal

Sales Presentation Skills: How to be a More Persuasive and Confident Presenter is a fun, engaging and non-threatening workshop/lab that focuses on face-to-face, telephone, and online presentations. The course is designed to give you the ability to structure an effective presentation — and then deliver it with confidence, focusing on the transfer of ownership with the prospect, not just presenting your product/service and hoping they “get it”. Most of all, you will learn to avoid the pitfalls that usually sink a good presentation.

Based on proven feedback learning methodology, Sales Presentation Skills employs role playing and structured presentation templates to empower you with the ability to develop an effective and exciting presentation.
